

HTPO-5 High Threat Protective Operations 📄

There are places on the planet where normal protective operational procedures just won't get the job done. Your team has to be overt, strong and ready. This course provides one of the most comprehensive PSD/Force Protection private training programs anywhere.

Course Length:	5 Days (60 hours)
Gear List:	See below
Pre-requisites:	SCG Staff Approval
Clearances Required:	None
Class Size:	18 max (6 minimum)

Course Highlights 📄

- Communications
- Threat Assessments
- Mounted/dismounted formations will be taught and practiced for covert/overt scenarios
- Walking formations (covert and overt foot movement of the VIP)
- High Threat Walking Formations (foot movement of the VIP)
- Deliberate as well as Hasty Site Surveys (Advances)
- Command Post (CP, TOC) Operations
- Advanced Firearms Training (carbine, pistol)
- Route Analysis / Selection
- Unarmed defensive tactics
- Surveillance, Counter-Surveillance and Surveillance Detection
- Evacuation, Escape and Evasion
- Realistic Attack-on-Principal (AOP) scenarios and drills are held.
- Practical field exercises will follow classroom instruction in order to emphasize these newly acquired skills in a building-block approach.
- The course will conclude with a 48 hour extensive, real-world practical exercise testing all the skills to which the students have been exposed.
