

SCG International Logistics leverages more than 26 years of successful global cargo delivery experience to provide clients with unsurpassed on-time results and turnkey solutions anywhere in the world. Our highly-skilled staff members have an extensive background in both domestic and international air, ground and sea operations. Because of our years of experience and extensive relationships, we are able to move customers' goods quicker and safer than our competitors. We also offer the unprecedented value of Tier One and Tier Two optional manned security for shipments within conflict zones. Using our connections and in-house resources, we are able to provide a level of service and achieve results that our competitors are unable to duplicate.

Our full-range of services includes Transportation, Procurement, Air Services, Ocean Services, Custom Brokerage Services, Documentation and Compliance, Inventory Management, Warehousing, Crating and personalized tracking of shipments. SCG International Logistics can reliably transport cargo at a competitive price targeting same day, next day, second day, third day and even economy, while still providing faster delivery through customs anywhere in the world than our competitors are able to do. Also unique to SCG, we offer highly skilled K-9 movement within the United States as well as overseas.

SCG cultivates an environment that fosters dedicated employees. Our professional staff members are seasoned experts, with longstanding relationships with freight-forwarders and customs agents throughout the world. SCG rewards its employees with results-driven compensation agreements that require the complete satisfaction of our customers. It is our employees' focus and drive for excellence and customer care that has translated into SCG's demonstrated record of on-time delivery and perfect service with mission-critical shipments.

Only SCG International Logistics has the depth of experience to expertly provide all of the following:
